ISSUE 57

Established 1893

I have a home church in Epworth Iowa. I haven't walked through the front doors of that church on a Sunday morning in many years but I was baptized, confirmed, had my first communion there, and went to school next door to that church as well. It will always be my home church but walking through the front door on a Sunday morning would be tough because I've been away for so long.

People want to connect with their home church but sometimes the front door on Sunday morning isn't the best way for everyone. One of my goals has always been to create as many side doors to the church as possible for those who still love the church but have trouble for whatever reason getting through the front door.

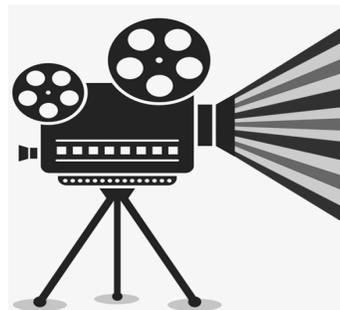

Sometimes that's a home or facility visit. Sometimes it's a video. Sometimes it's an event. Events are the best because it gives a chance for folks to visit in a low stress and festive way.

Recently we had a pair of nice events. In Farmersburg we had a really nice Ice Cream Social. It was well attended. In Luana we recently held VBS and for the last night we had a movie night. We watched a movie together, ate hamburgers and hot dogs, and the kids got to sing a couple of VBS songs in front of their loved ones beforehand.

We'd like to keep the momentum going and on Wednesday August 30th we're going to have another movie night in Farmersburg which will double for our first night of confirmation. I'm still working on the movie as there are some good ones to choose from but we will have a simple meal, a quick prayer, and we'll watch a movie together. This is a way for multiple generations of the church to spend time together in fellowship and it's another side door to the church for those who can't get to us on Sunday morning for whatever reason. More details to come and this is something that I think we'd like to do every couple of months to keep that spirit of fellowship alive outside of worship. Blessings to you and I hope to see you then and in between.

ST. JOHN FARMERSBURG COUNCIL MINUTES

Date: July 9, 2023

Present: Tammy Muller, Ken Erickson, Bruce Glawe, Dave Hageman, Bill Scherf and Jeremy Wolfe.

Meeting called to order by President Tammy Muller at 1100 am.

Opening devotions given by Jeremy Wolfe.

The meeting started with an update from Becky Fuelling on steeple and schoolhouse repairs and estimates. Labor to materials for steeple arches was \$900.00. Labor, trim, mileage, new fleshing, etc. was \$120. This total of \$1020.00 was paid by John and Becky Fuelling. The council gave their thanks to John and Becky on behalf of the congregation.

Motion to approve the agenda was made by Ken and seconded by Bill. Motion carried.

Motion to approve the minutes of the June meeting made by Bill and seconded by Bruce. Motion carried.

Motion to approve the secretaries report was made by Bruce and seconded by Dave. Motion carried.

Motion to approve the treasurer's report was made by Ken and seconded by Bill. Motion approved

The council recapped the ice cream social as part of the Vicar's report. \$1343 was earned through the Ice Cream Social. We bought food for 150 people and used up all the food plus some extra.

The council talked about plans for next year and noted that the Men's Group is considering taking on the event in the future but that will be decided at a later date.

The council discussed the SOTH construction project and decided to table the discussion on a potential donation or support until a firmer estimate is given.

Jeremy gave an update on the photo directory. This is nearly complete and will be published through Snapfish.com for a price of \$20.00 per book. These will be sold to the congregation when prepared and we can order these as needed.

The council discussed the basement carpet and cleaning. Jeremy had Mick Hermsen with Northeast Iowa Fire and Flood do an estimate and Dave is exploring a quote from Service master in Decorah.

SOTH Back to School have been advertising in the building and the church is doing our best to promote this.

We discussed God's work our hands Sunday. It was suggested that proceeds from this might go towards the SOTH building project.

Blessing of backpacks will be done in September

Committee Reports:

Evangelism- No report

Parish Education- VBS was successful with 15 kids, 2 eighth grade helpers, and adult teachers from both schools pitching in. Movie night with meal went well also.

Property- Kenny gave an update on basement windows. Due to the sizeable quote to replace basement windows (500.00 per window) we will not be moving forward at this time. The basement cooler has been making lots of noise and a new motor was installed. We are waiting on the invoice for it. The council revisited schoolhouse bids given by Becky. Bill suggested that it should be brought to the congregation. A congregational meeting for the bids was discussed for the date of August 20th, 2023. Motion by Bill and seconded by Kenny.

Stewardship-it was suggested that an additional set of keys be made for Dave in case the church is locked in the early morning since he is close by.

Men's Group-Will meet on Sunday July 16th.

Woman's Group-No report.

Worship-Jeremy is continuing to work on the Froelich Barn service. He is coordinating with the Moser's and the altar guild for communion.

Motion to adjourn by Bill, second by Ken. Motion carried.

Next meeting August 20th after worship service and congregational meeting.

Respectfully submitted by Jeremy Wolfe, Vicar

VBS was awesome this year! We had 15 kids (17 if you include our 8th grade helpers) and the kids had a great time. We learned stories of the Bible and characters of faith. We spent some time with Abraham, Noah, Jesus, Zacchaeus, Peter, and others. The kids learned (or relearned) some songs and we capped it off with a fun movie night and meal. The kids sang for the audience, we had burgers and hot dogs, and then we watched "The Prince of Egypt" together. Some of the kids asked, "are you doing this next year?". We were extremely blessed because we were able to lean on decades of education and Sunday School experience from Luke, Kim, Loretta, Janelle, Kelly, Lindelle, Sherri, and Cindy. Special thanks to the Steeges for all of their incredible contributions (and hot dogs) and to Keith for helping us out with burgers. Hopefully we were a blessing to the kids and I know that the kids were a blessing to us!

August 2023, LSI Bulletin/Newsletter Article

Back to School Month

Saying goodbye to summer and transitioning into a new school year can be a difficult time for many adolescents, especially those with emotional or behavioral disorders.

LSI has 27 therapists that provide mental health counseling to individuals of all ages through in-person therapy in over 20 locations across the state and virtual therapy in all 99 counties. In 2022, our Clinical Services team served more than 1,000 clients, totaling 14,000+ therapy sessions for Iowans of all ages.

In addition, our Behavioral Health Intervention Services team wraps care around a child's entire family to empower them with skills like anger management, healthy decision-making and problem-solving. In 2022, the BHIS team served over 250 clients, resulting in more than 3,900 therapy sessions for children and their families.

Through LSI's Trauma Informed Care program at the Juvenile Detention Center in Waterloo, our staff work with the teens by completing trauma assessments on each adolescent and providing a summary to their juvenile court officers. The LSI staff also facilitate both individual and group therapy sessions with the teens to help them deal with their trauma and work through it in a productive way.

If you or someone you know could benefit from therapy – even from the comfort of your own home – reach out by calling 888.457.4692 or visiting LSIowa.org/therapy.

We thank you for your support of LSI's mission as we respond together to the love of Jesus Christ through compassionate service! We know there are more Iowa children and families in need of this critical care. If you would like to learn more about how you can give a gift to support these crucial services, please contact Deb Whitford, LSI senior director of philanthropy and church relations, at Deborah.Whitford@LSIowa.org or 563-676-2065.

Clothing center updates

We are doing a “much needed” repair to the front steps and landing to the entrance of the building. The project is necessary as the cement is pulling away from the building and cracking and it can be a safety concern. We have received bids from \$10,000 up to \$15,000. We are hoping to alleviate some of the cost by doing some work ourselves. But this still is leaving a heavy cost that we need help with. SOTH has been very active with helping the community this year especially. Since our fiscal year started in February until June, we have had 414 referred families in the clothing center. 8,834 items have been distributed to those families. We have received 882 boxes/bags of donations as well. Our Crisis account has also distributed \$8,273.96 with utilities/rent help so far this year. Last year our Back-to-School event helped 238 children with backpacks and supplies. Our Christmas for Kids event gave 441 children gifts for Christmas. So, as you can see, through your continued support we have helped so many local people. We would really appreciate your donation to keep our beautiful building safe for all to enjoy. If you are able to contribute to this project, please send your donations to Shepherd of the Hills office.
